Vol.11

Term test results was a flop.
So we'll be leaving now
Okay thanks for coming

Your teacher says that Kurumi can definitely enter Katarina Girls High.
I am really glad, Kurumi.
Wow
Is that Honda's mother?
She is so beautiful and dresses well too
Why do you keep staring at that person's face?
She's really different from my mum
At least I don't have to worry anymore.

[The parents even let him do that.]
Ok.
Can the next in line please enter?
What's with that?
Oh gosh.. that boy's hair..
Yes.. yes..
We're coming.

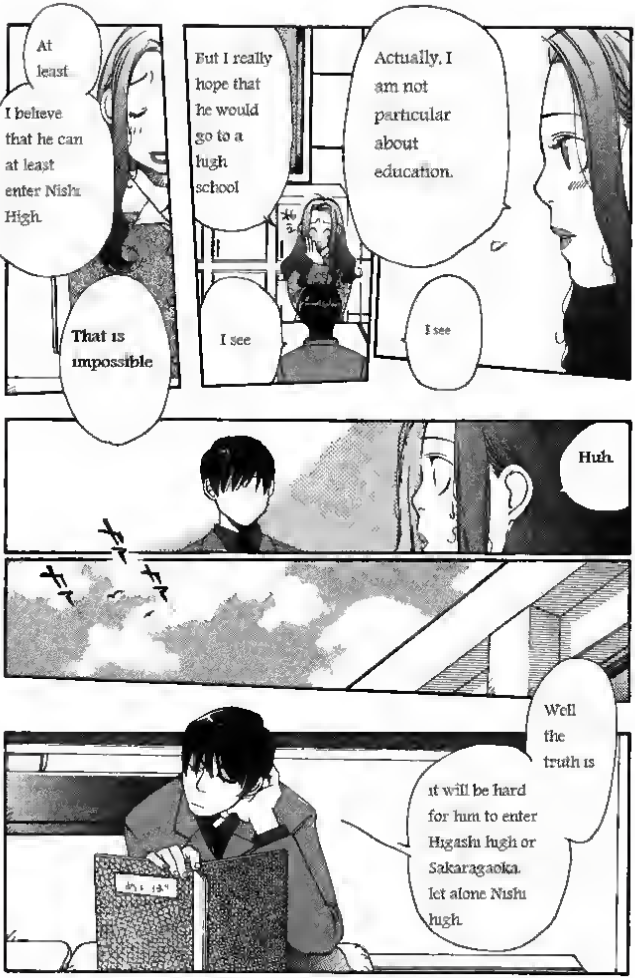
Three way meeting
[heart-beating]
About that
That's right
Honda is the only one that haven't submitted the survey regarding his future plans
Actually
It's alright Kather it must have been troublesome for you. My child is always creating problems
Thank you for your time despite your busy schedule

This child of mine,
suddenly said that he don't plan to go to high school...
Oh, the fact is that
It's realy alright ma am.
This is really embarassing
.....
He's still young.
Shut up
Is..is that so?
This is definitely something that this difficult child would say
I am not surprised.

[Ice]



At least I believe that he can at least enter Nishu High
That is impossible
But I really hope that he would go to a high school
I see
Actually, I am not particular about education.
I see
Huh.
Well the truth is it will be hard for him to enter Higashi high or Sakaragaoka, let alone Nishu high.

That is to say..
So.
Huh.
My son is really Stupid
is it?
Hey!
Well
You can put it that way
Ahh.

Honda isn't the one that just belongs to us anymore.
So Honda was featured in this magazine ..
Yeah.
Yup
That's around 70~80 thousand yen
How much does that camera cost?
How wasteful just because of Honda
to buy this thing
Hey we are lucky
Look at the two cute chicks
You're right
You'll be killed if you let Yoshioka and her friends hear you saying that.
Of course I won't say that. They're scary

[Translator's note: can't read words]

Kuruma, do you want to eat anything?
Hey Hey Both of you.
What?
Uh
Mum are you hungry?
Welcome!
But
It is just the end of school.
You are with mum so it is alright.
Don't be so inflexible
Oh.
Are both of you cousins?

Both of you are really cute.
Do you go to the same school?
How old are you?
Just give us 10 mins. Let's get some tea, okay?
Woah.
Why? That's sudden.
This is the photo of a idiot
Isn't calling me an idiot a bit too much.
Haha
But that is the truth.
Id-iot!

[She is scared.]

Oh man, there are so many wasted photos
新装開店
I feel so much better
We can spread those photos later
What is wrong with that?
Isn't it weirder that the camera is full of Honda's photos?
Honda Honda Don't call him so carelessly
So what, I am pretty close to him
うっ!
Actually I have only met him once
IDIOT!
GO AND DIE!

Dunn

[She is referring to the lack of stalkers.]

[Dunn]

Introduce him to me!
No way!
I reject
I'm not telling.
Why? Why?
It's true
You... you're lying!
[Yuu-chan-]
3年1組
It is whether Honda would put in effort
Is that so It so...
[Ultimately I
If he able to study to death till his green hair turns white
It would be easy for him to enter Higashi high
But
regarding that..

Hypothetically speaking,
There is a vast difference between not wanting to go and not being able to go to high school
Haha.
That is why!
Didn't I say I don't want to go to high school
If you are not going to a high school...
Do you have an alternative plan?
Or do you have something you want to do in particular?
Do you?

That
Stop taking it so seriously. Idiot.
You're really annoying. I didn't meant anything by that
I'm just saying...
So
This
That's about it.
Thank you. Bye.
Hand it up to me before Monday

[You've been nagging non-stop]

Since I am so STUPID
I should at least get some reference books.
Where are you going. Chiba?
The train station is this way..
I am heading to the book store
.....

[You have been like this since voicing whatever things don't get your way, you will start your senile.][Tsk. tsk.]

英泉塾
Well I should take a look too.
Anyway he is off to play at the game arcade again.
You're getting reference books...

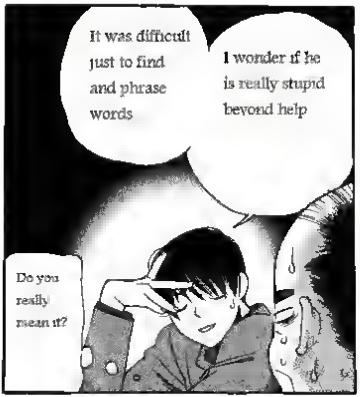
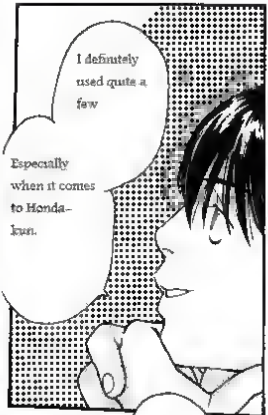
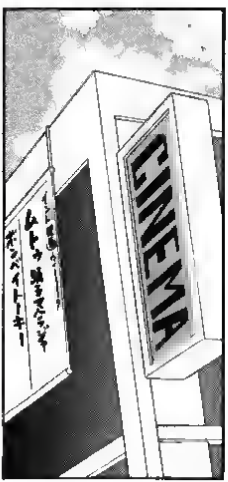
AGH
My back hurts
The three way meeting is really tiresome.
You probably use qute a lot of brain cells
Even someone like you.



It was difficult just to find and phrase words
I wonder if he is really stupid beyond help
Do you really mean it?



I definitely used quite a few
Especially when it comes to Honda-kun.



CINEMA

Regarding that, I really have a way with my words.
That's because of your bad personality.
Okay Okay
Stop blabbering and finish your work.

You like watching movies don't you?
You come here often.
Huh? Yeah.
Yes?
One student ticket please.
Welcome. It's you.
Here. enjoy
She remembered my face..
The people around here seems free.
Did you hear that just now?
The kid loves movies too.

[It's cold.]
Bye. I'll go off first.
Yes
I heard.
Oh no!
I might miss the train

Hey teacher!
Woah
What are you trying to do?
You gave me a shock!
Hehehe Do you remember me?
Yes. you are called.

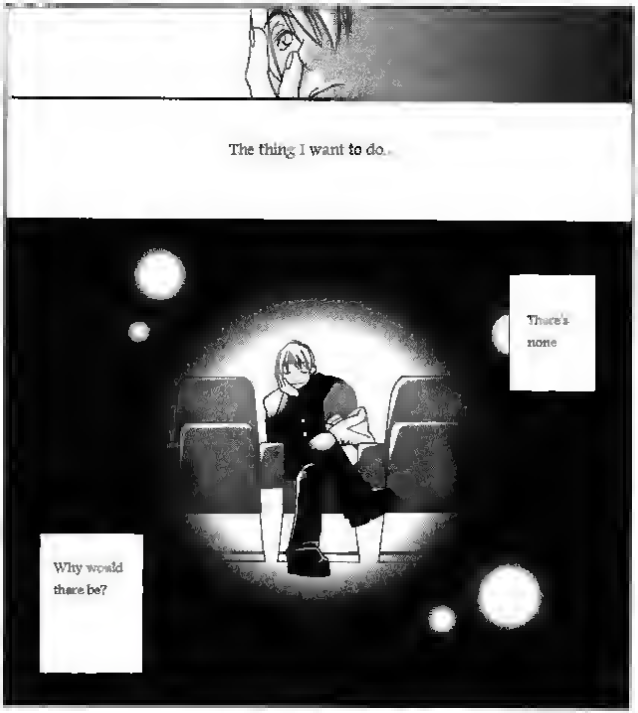
[Ichiro]

[I've been waiting for you.]

[And also lost to me.]

Ugh.
I've watched a boring movie.
"Or do you have something
you want to do in particular? Do you? "
You.

The thing I've been wanting to do.
asked me if I had something I wanted to do?



The thing I want to do.
There's none
Why would there be?
